**Our Mission:** To provide solutions in Montgomery County to ensure that homelessness is rare, brief, and non-recurring. **Our Vision:** To end homelessness in Montgomery County by building a community where everyone has a safe, stable, and affordable place to call home. MCCH's mission and vision are aligned with the population goals in the [Home, Together](#) federal strategic plan to prevent and end homelessness, as well as the [Montgomery County: Continuum of Care Ten Year Plan to End Homelessness](#). In partnership with Montgomery County and other local providers, MCCH has met the first population goal to end veteran homelessness in 2016. We continue our partnership with Montgomery County in pursuit of the remaining population-focused goals:

- To end chronic homelessness in 2019
- To prevent and end homelessness for families with children and youth by 2020
- To set a path to ending all types of homelessness

**Providing mentoring to men and women returning to their communities after incarceration.**

Our goal is to help prevent returning citizens from falling back to previous mistakes by helping them find and follow a path to a new career. We do this by creating a support network centered around volunteer mentors who work closely with returning citizens. Together, we help overcome big and small obstacle on route to finding a job, a safe place to live, and a community of support.
